Antioch, Illinois

FIFTEEN CENTS

CONGRATULATE NEW MISS ANTIOCH — Carol Mattison, first runner-up, and Beth Werba congratulate Nancy Koziol as she receives Miss Congeniality award and was crowned new Miss Antioch at pageant held at Williams Park on Saturday, July 2. — Photo by Gloria Davis.

Good news in The News

Summerfest

St. Peter Church, Antioch, will celebrate its third annual "Summerfest" fund-raiser on Saturday, July 23, on the parish grounds.

Festivities begin at 6 p.m. (rain or shine) with lots of family-oriented fun, including games, and prizes. No admission charge.

Food and beverages will be available at nominal cost. Dancing to the sounds of John Olisar and The Manhattan Skyline will begin at 8 p.m.

Say 'Cheese'

Government cheese will again be distributed from the Antioch Senior Center at 817 Holbek Dr., Antioch, starting at 9 a.m., on Friday, July 8.

Cheese will be given only to senior citizen households that did not receive cheese in May and then only one box per household will be given out.

People qualifying for the free cheese must adhere to these guidelines: for one person, income must not be over \$8,190 per year; for two people, income must not exceed \$10,885 and for three people, paychecks must not add up to more than \$13,580 annually.

Arts, Crafts & Antiques

Everyone desiring a booth at the Annual Arts, Crafts, and Antiques Fair should call Chamber Secretary Dixie Sparks at (312) 395-2223.

The fair, to be held on Sunday, July 10, at Williams Park, offers a good exposure for creative materials.

The Chamber fundraiser offers prizes that include a hindquarter of beef, an entire beef loin, and a case of chickens.

Nix proposal Little: 'HOD, Get serious'

by GLORIA DAVIS

The world's largest disposal company, Waste Management, Inc., virtually came to the Antioch Village Board with its hat in its hand with a 12-page peace bid.

The proposal basically offered to pay all the legal bills the village has incurred in its fight against them, amounting almost to \$100,000 so far.

In addition, Waste Management offered approximately \$50,000 for the next four years of the village would allow them to operate the present landfill site their way for that amount of time, a far cry from the positive attitude exuded by one Waste Management's representatives when talking to this newspaper early in the game.

One of the disposal company's representatives said that they were tired of playing with the little village of Antioch in "trying to be good neighbors," adding "there will positively be a landfill expansion in Antioch."

Now that Waste Management has been legally beaten at every turn so far they seem to be willing to negotiate with the village, but members of the Antioch Committee On the Environment (ACE) called the written proposal "ludicrous and offensive."

Then Waste Management appeared before the village board on Tuesday, June 28, with the proposal that had some verbal revisions.

The purpose was obvious. The disposal company would have liked to appear at the injunction hearing slated for the next day armed with Antioch amiability.

Although the board asked ACE to study the 12-page-proposal more thoroughly, ACE put thumbs down on the entire thing.

"They haven't bothered to address the main issue in the 18 months that this whole controversy has been going on," said Al Little, ACE president.

(Continued on Page 2)

HOD injunction

5-4-83

Chalk-up big village victory!

by GLORIA DAVIS

David hit the giant Goliath with another pretty sizeable rock in a very strategic place at the hearings held in Lake County Circuit Court in front of Judge Bernard Drew on Wednesday, June 29.

During the morning session the disposal company made a motion for dismissal against the village's injunction opposing vertical expansion of the dumpsite because of "failure to exhaust administrative remedies" by appearing in front of the Illinois Pollution Control Board (IPCB) instead of a Lake County Circuit Court.

The village won a denial on the premise that the situation was a judicial one and did

not come under the jurisdiction of the IPCB.

At the afternoon session the temporary injunction the Village had petitioned for against Waste Management's expansion was dealt with and so far so good for the village.

"It's basically another victory for us," said attorney Donna Henderson, from the office of the village attorney, Ken Clark, in reference to the disposal company's retirement to chambers where it made a motion for and was granted a continuance.

Waste Management then agreed that the order restraining any expansion would also be continued as long as the hearing that is slated to start on Sept. 12 is in progress.

Charge 18-year-old with city rape attempt

The Antioch Police Dept. arrested Robert Gillman, 18, Antioch, on a warrant from the Waukegan Police Dept. for the attempted rape of a 27-year old female jogger at 7:30 a.m., on Wednesday, June 29, on Green Bay Rd. in Waukegan.

Gillman was arrested by the Antioch Police when his car was recognized parked outside the Squire Restaurant on Rte. 173. The arrest took place at 9 p.m., on Wednesday, June 29, and Gillman was turned over to the Waukegan Police who have charged him with the attempted rape, unlawful restraint and battery.

He was held on a \$10,000 bond and later released after posting \$1,000. A preliminary hearing on the charges has been set for 1:30 p.m., on Wednesday, July 6, in front of Lake County Judge George Pease.

EVERYONE A QUEEN — Though only one could be chosen, all of contestants in Miss Antioch contest deserved to win. Shown in pageant held on Saturday, July 2, were, from left, Nancy Koziol (Miss Antioch), Mary Lynn Hamlin, Mary Cogdill, Andrea Becker, Lisa DeBenedetto, Dawn Jenkins and Chris Mattson (first runner-up). — Photo by Gloria Davis.

Dr. Bucar to head Optometric Assn.

The American Optometric Assn. has elected Dr. Albert A. Bucar of Antioch its president-elect.

Dr. Bucar has been on the association's board of trustees since 1978. This past year he served as the organization's vice president. He held the office of secretary-treasurer for two years and has undertaken

many other organizational responsibilities.

Dr. Bucar is past president of the Antioch Lions Club, Illinois Optometric Assn. and the Illinois Vision Services. He is a former member of the Antioch High School Board and currently on the board of directors at the State Bank of Antioch. In 1970 he was Illinois' Optometrist of the Year.

Obituaries

Louise Helen Oetting

Louise Helen Oetting, 56, of Edgewater, Fla., a former insurance broker from Lake Villa, died June 25 at Fish Memorial Hospital, New Smyrna Beach, Fla. after a short illness.

Mrs. Oetting, a native of Chicago, attended Wilmot Lutheran Church, Wilmot, Wisc. and was a member of the New Smyrna Beach Elks Lodge 1557 Ladies Auxiliary.

Survivors include her husband, Louis L.; one daughter, Gail Ploughman, Antioch; one son, Carl R., of New Smyrna Beach, Fla.; and six grandchildren.

Winsor Anders Dalgaard

Winsor Anders Dalgaard, 37, of Sarasota, Fla. and formerly of Antioch, died June 29 at the Fred Hutchinson Cancer Research Center, Seattle, Wash.

He was born March 17, 1946 in Antioch and had been a member of St. Peter's Church, Antioch, and Prince of Peace Church, Lake Villa. He had been presently employed as a deputy sheriff, first class in Sarasota, Fla. and was a training officer with SCUBA team underwater recovery. He served in the U.S. Submarine Service for six years and was a member of the United States Naval Reserve. He had also been a member of the Mundelein Police Dept. from 1972 to 1977.

Ends Training

Pvt. Michael K. Anderson, son of Leo W. and Susan A. Anderson of 38528 N. Drexel Blvd., Antioch, has completed basic training at Fort Leonard Wood, Mo. He is a 1980 graduate of Antioch Community High School.

Survivors include his wife, Tambla (nee Hargesheimer); one daughter, Trina Michelle; his mother, Edna Dalgaard Barr of Antioch; his paternal grandmother, Linda Dalgaard of Antioch; one brother, James (Sherry) Dalgaard of Antioch; one sister, Cheri Dalgaard of Columbus, Ohio; seven step-brothers and sisters and several nieces and nephews.

Mass of the Resurrection was held on July 5 from St. Peter's Church, Antioch. Interment was in Holy Cross Cemetery, Antioch. Donations may be made to the Division of Oncology, Fred Hutchinson Cancer Research Center, 1124 Columbia St., Seattle, Wash. (312) 395-4000 for more information.

Edmund G. Van Den Berge

Edmund G. Van Den Berge, 69, of Trevor, died July 1 at the Superior Memorial Hospital, Superior, Wis. after a sudden illness.

He was born June 29, 1914 in Superior, Wis. and moved to Chicago in 1929 and Trevor in 1979. He was a member of Holy Name Church and the Knights of Columbus at Wilmot. He worked as a janitor in Chicago for many years retiring in 1979. He was also a member of the Janitor's Union Local 1, Chicago. He married Leona Vanden Brande on Nov. 9, 1935 in Chicago.

Survivors include his wife, Leona; two sons, Edmund G. II of San Francisco, and John M. of Alsip; three daughters, Mrs. Ray (Nancy) Heidelberg of Chapparral, N.M., Mrs. Roy (Emilie) Mack of Seneca and Karolynn Brown of Oak Forest; two sisters, Mrs. Ralph (Rose) Torphy of Oak Lawn and Mrs. Andrew (Nell) Tomich of Chicago; 16 grandchildren and 10 great-grandchildren.

Funeral Mass will be said Wednesday, June 6 at Holy Name Church, Wilmot, with interment in the parish cemetery. Friends may call at the Strang Funeral Home, Antioch, from 3 to 9 p.m., Tuesday, July 5.

Slate camp

Antioch area high school students will have the opportunity to attend the Antioch Morning Football Camp.

The camp will concentrate on fundamental game skills, offensive and defensive play calling, and methods of conditioning. The fee for the three week program is \$15.

Any questions should be directed to Steve Wapon, Antioch High School, (312) 395-1421.

The program will be held Monday through Friday, July 11 to July 29 and will meet 15 times.

The sophomore-junior-senior session will be held from 6:30 to 8 a.m. and the eighth grade-freshmen session, from 8:30 to 10 a.m.

Students that will be enrolled in any high school or eighth grade this fall may attend.

Equipment needed includes football shoes, workout gear, lock and towel.

Legion wins

Antioch's Legion team played Zion to an 8-8 tie in a game called at the end of seven innings by darkness. The starting pitcher for Antioch was Frank Mahar who was relieved in the seventh inning by Vince Gawrecki.

In a tight pitchers duel Antioch edged Grayslake 3-2. Winning pitcher was Zitkus with relief help by Vince Gawrecki in the seventh inning.

—LEGAL— NOTICE OF PUBLIC HEARING

The Lake County Farm Land Assessment Review Committee has scheduled an annual Public Hearing on Lake County Tax Values for lands assessed under the law in Sections 20e, 20f and 20g of the Revenue Act of 1939, as amended.

Said hearing will be held at the Lake County Cooperative Extension Auditorium located at 33020 North Highway 45, Grayslake, Illinois 60030. This building is about 200 yards north of the intersection of Routes 45 and 120 on the west side of the highway.

The meeting will be held on Monday, July 18, 1983, at 7:00 P.M.

Lake County Farmland Assessment Review Committee
Robert Jasper,
Chairman
July 7, 1983

Little

(Continued from Page 1)

"That is the fact that the landfill is built on an aquifer and if we loose our water we have nothing," Little added.

He disparaged the disposal company's offer to monitor any leakage by saying, "They've never said what they would do if the sight did leak and neither have they ad-

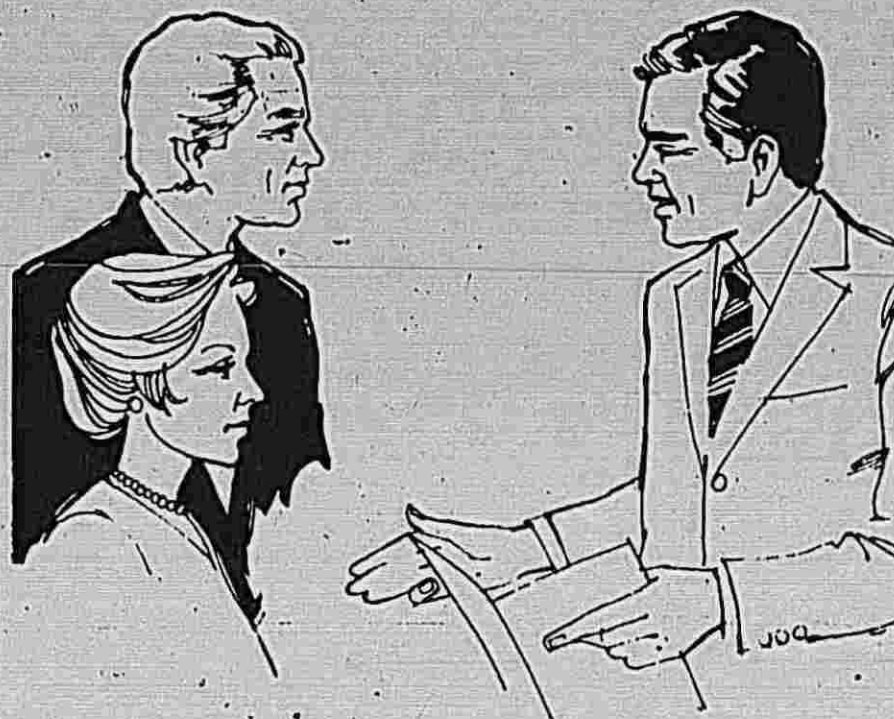

ressed the Chemical Oxygen Demand (COD) content brought up at the hearings last summer.

"Some of the officials and people don't want to talk to Waste Management at all but I'm willing to talk if they ever get back to us with some serious proposals," said Little, as he tossed the ball back to the disposal company for the next play of the game.

Thanks

Chain of Lakes Senior Services wishes to thank each and every person, group, club and organization for the warm and generous response to our plea for cards reported here. We need all birthday cards, sympathy and get well cards - you name it - that we can get. Sometimes the only word of love, cheer and remembrance is from us, due to people like you. Please keep the cards coming.

*Help when you need it.
And when you don't.*

When someone close to you has died, the professional funeral director is there, providing guidance, understanding and care. Of course, many people prefer counseling prior to need, when arrangements may be made at one's leisure without urgency.

We offer complete information on pre-arrangements and pre-financing, available now without cost or obligation of any kind. Feel free to contact us at your convenience. It may ease your family's concern tomorrow.

News/OPINION

The Antioch News welcomes letters to the editor. Letters should be on topics of general interest, approximately 150 words or less and be signed with home address and telephone number. Guest editorials

are also invited. They should be a minimum of 250 words and signed. The editor reserves the right to condense all material addressed to this page.

Bells will be ringing-up higher prices next year

by GLORIA DAVIS

Those Antioch merchants that have been worried about media releases speculating that utility rates will be doubled inside of the next few years had their fears somewhat confirmed by the speaker at the latest Chamber seminar.

Fred Konrad from Illinois Bell, who spoke at the Chamber luncheon, held at the Tower Room of the Antioch Bowl on Tuesday, June 28, said that these were "conceivable" predictions as far as phone service was concerned.

Konrad, division manager of Tariffs and Costs for "Ma Bell," explained the federal court ordered deregulation procedures that Bell is now going through and must complete by Jan. 1, 1984.

What it essentially adds up to is that "Ma Bell" will mainly be handling local services and other companies such as SPRINT, MCI and American Bell will take care of long distance calls.

Local charges will go up because "the Bell System had been undercharging for local services which was balanced by a long distance over charge."

With that balance gone, local rates will escalate.

According to Konrad, the Bell System, while admitting to no wrong-doing, has agreed to divest itself of the 22 Bell System companies which will sever all ties with American Telephone and Telegraph (AT&T).

These companies will in the future will be run by seven regional holding companies with Ameriteck, handling approximately 70 percent of the midwest telecommunications market, servicing 10 million residential phone lines and four million business lines.

After January, Illinois Bell will: handle local exchange services; supply customers with a phone number and a dial tone; handle local calls; supply calling services and access to long distance carriers as well as coin telephone service, 911 emergency service; distribute local directories, supply directory assistance and limited business services.

After January all phone instruments presently in use will come under the jurisdiction of American Bell for lease for at least the next two years.

New users and eventually all will be required to purchase their phones from American Bell or one of the many stores that are presently offering a great variety of phone styles.

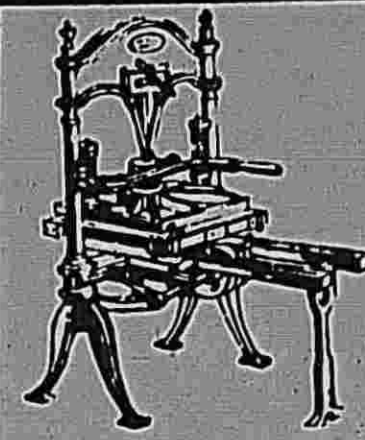

After January, the customer will be allowed to install inside the house wiring and jacks. Bell will run the phone lines to the building and charge for maintenance responsibility.

According to Konrad there will be several local calling packages available that range from a charge for each outgoing call to package deals.

Bell also attributes cost escalation to the inflation of its operating costs while reminding people that its rates have only increased 21 percent while other consumer charges have gone up 60 percent.

There will be other charges coming from Bell such as an additional \$2 per month for access for residential lines and \$4 for business lines and, since Bell will be billing the long distance charges to start with, your phone bill will reflect that charge.

Worries that these costs will make owning a phone prohibitive for some people were expressed by an audience member.

The Time Machine

FIFTY YEARS AGO: July 6, 1933

One drowning and several injuries from fireworks were the results of the July 4 holiday in Antioch.

The Antioch Village Board took a drastic move in issuing the edict that those who had not paid their water bills would have their water shut-off.

The cost of letters sent from the village to a route number or vice versa was reduced from three to two cents.

Also the cost of the Village of Antioch doing business for the last year came to \$28,375.55.

Bob Dunn and Donald Doyle, who were in charge of the fireworks sale for St. Peters Church, reported the sale was a success.

James McMillen and Milo Steinborn wrestled to a draw in a Milwaukee match.

Pot roast was selling for nine cents per pound at the National Food Store.

THIRTY YEARS AGO: July 9, 1953

Edgar Simonsen resigned from the Antioch Board of Trustees because of "conflicting circumstances."

The Lakes Theater in Antioch was charged with having 36 fire hazards and given 30 days to correct these faults.

The Salem Town Hall, a 100-year landmark, was destroyed by fire.

King Jaros and his orchestra was playing at the Norshore Resort.

Verna Kufalk announced her engagement to Don Holm.

The Antioch American Legion Post 748 held its annual summer carnival.

TEN YEARS AGO: July 4, 1973

Ken Wierschem, math teacher at Antioch High School, was named the new school business manager.

The first annual Antioch Arts, Crafts and Antiques Fair was slated for July 21.

Over 2,500 people attended the annual Antioch firemen's Dance.

Mike Warren was installed as president of the Antioch Rotary Club.

Dr. W. C. Petty was elected president of the Lake County Board of Health.

The village made plans to put a new park in Sequoit Terrace.

Along the way with ANNIE MAE

Annie Mae's been watching the attractive housing development go up on Main St. for the past year and will be sure to be at the open house for Oakridge Village on Sunday, July 10.

This development is for senior citizens and low income families. We hear that two more senior housing units are due to be opened soon.

On the other side of the age coin, many of Antioch's younger generation are also making a name for themselves.

Congrats to Joy Gossman, Mr. and Mrs. Robert Gossman's little girl who received academic honors for the second semester at the University of Wisconsin-Platteville.

Also taking scholastic accolades was Tom Vander Meer who's matriculating at Purdue University in West Lafayette,

Ind.

And it looks like two of Antioch's athletes are heading for Elmhurst College next fall with football as well as studying on their minds.

John Andre and Ed Gron will be playing on the Bluejays' grid next year.

New sheepskin holders in our area include JoAnne Bell, bachelor of science from the College of St. Francis, Joliet and Janet Marie Nordstrom, who got her bachelor of science degree from Southern Illinois University, Edwardsville.

And Pvt. Raymond Edwards, Jr., son of Raymond and Marilyn Edwards, just made his mark with Uncle Sam by

completing National Guard basic training at Fort Jackson, S. C.

Sincerest sympathies to William Barr and his wife Edna Delgaard Barr on the death of Winsor Anders Delgaard, 37, on June 29, at the Fred Hutchinson Cancer Research Center in Seattle, Wash..

Delgaard was Barr's stepson and his wife's son. Condolences also to Delgaard's wife, Pamela and daughter Trina Michelle.

CONFIRMED — Eleven children were brought into communicant membership of Good Shepherd Lutheran Church, Lake Villa, on Sunday, May 8, by the rite of confirmation. First row, from left: Robert Allen Blonski, Gerald Scott Kaminski, Scott Louis Schmidt,

DiAnn Yvonne Sances, Nina Bernadette Grohs, Carol Lee Lyons, Rosemary Patricia Parker. Back row, from left: David Michael Barbolla, Robert Eugene Siebert, Karin Marie Wilson, Nancy Carol Stephens.

Thelen, Lindberg in 'Anything Goes'

The Antioch area residents, Peter Thelen and Christina Lindberg, are involved in the upcoming musical, "Anything Goes," to be presented by the Burlington Haylofters.

Lindberg is working as the musical director, and Thelen is cast in the leading role of Billy Crocker. He is active in the PM&L Theatre in Antioch, where he was last seen in "Sly Fox."

The musical is set in the '30's on board a luxury liner bound for England, and contains hilarious plots twists involving Billy, his girlfriend, Hope, her mother, his boss, an Evangelist-turned-nightclub-singer, an English Peer, four

"angels," and even Public Enemy number 13 and his moll.

Of course, there's lots of romance and laughs, and a Cole Porter score that includes such memorable tunes as "All Through The Night," "It's De-Lovely," "I Get A Kick Out Of You," and the rousing title song.

"Anything Goes" is directed by Pamela Schroeder, and will be presented July 7-9, 13-16, and 20-23 at the Malt House Theatre, 109 N. Main St., Burlington.

Tickets may be obtained by calling (414) 763-9873. There may be some tickets available at the door the nights of performances, but reservations are advised. Curtain time is 8:15 p.m.

GOP to tee-off

Lake County golfers will have a chance to tee up for more than just fun at their annual golf outing set for Friday, July 8, at Midlane Country Club in Waukegan.

The grand prize for the "Western Open" and Steak Fry will be a one year's use of a 1983 Chevrolet Celebrity donated by Rockenbach Chevrolet of Grayslake for any golfer who makes a hole in one during the outing. Many other golf and door prizes will be awarded.

Golfers may tee off from 6:30 a.m. to 2 p.m. with the Western Steak Fry to begin at 5 p.m. Tickets for both golf and dinner are \$30 per person. The cost of dinner only is \$20 per person.

General Chairman Bill

Snodgrass of Waukegan says tickets may be obtained from all Republican precinct committeemen or by phoning Republican Headquarters at (312) 623-0235.

Dean's List

Scott Poulter, son of Mr. and Mrs. Donald Poulter, has been named to the Dean's List at St. Norbert College in DePere, Wis. He maintained a 4.0, or straight "A" average for the second semester. Scott is an accounting major and had been awarded a Presidential Scholarship from St. Norberts.

by Robert T. Sven B.S.D.D.S.
DENTAL SPECIALISTS
ONLAYS AND INLAYS

Q. What exactly is a dental onlay, and how is it different from an inlay?

A. Onlays are used if a tooth has been filled before and is no longer strong, or decay is extensive, or when a tooth cusp (the elevated tops of back teeth that grind food) breaks off, and more drilling and protection is required. An onlay is different from an inlay only in the amount of tooth to be filled; a larger area needs an onlay. An inlay lies within the surrounding tooth cusps; an onlay covers those cusps with gold, giving greater strength to the tooth and protecting the rest of it from breakage.

If a smaller cavity can take an inlay, this is preferable, since less of a tooth will have to be drilled away. Silver or amalgam fillings can fill a tooth, but cannot protect it the way a gold onlay can. The onlay prevents the weakened tooth from splitting in case the patient applies extra strength in chewing. A gold onlay costs more, but when it is needed, what it accomplishes makes it well worth the difference.

Blecke to speak to educators at conference

Arthur Blecke, principal of Antioch Community High School, has been invited to participate in the "Mt. Vernon Conference IV" as a speaker.

The Mount Vernon Conference is one of the largest and most prestigious educational conferences in the southern half of Illinois. This year's conference will be held on Oct. 26, 27, and 28

at the Mt. Vernon, Ill. Holiday Inn.

Blecke, was recommended to the conference by the North Central Assn. (NCA), following his presentation at their annual meeting this past March at the Chicago Marriott.

The theme of Blecke's presentation is "The Principals Pow-Wow", a description of the well received

weekly program he instituted at Antioch High School and has been operating for the past five years.

The Pow-Wow program gets parents into the school building during the day to view a slide-tape presentation about Antioch High School, to eat lunch by going through the same line as the

students, tour the building with stops in some of the classrooms, to watch the teaching-learning process, and to question and receive answers from the principal

about the school.

Blecke is no stranger to the speaker's circuit, having made two presentations on separate topics this spring to the Illinois Principals' Assn.

Assistant Principals' Conference at Pheasant Run and to the Illinois High School Athletic Directors Conference in Peoria in addition to the NCA.

Antioch declares war on skeeters

Have you seen this person in your community? They are Protection Unlimited employees hired to look for mosquitoes in the Villages of Antioch, Grayslake, Libertyville Township, the Villages of Round Lake, Round Lake Heights, Round Lake Park and Warren Township.

Mosquitoes are a kind of fly. They have only one pair of wings and possess piercing-sucking mouthparts. The females use their mouthparts to obtain blood from unwilling hosts. The purpose of the blood meal (in the female) is to provide nutrients necessary for egg development. Only the female mosquito bites, males feed on plant juices.

Two of the most common pest mosquitoes in Illinois are Aedes vexans (the flood water mosquito) and Culex pipiens (the northern house mosquito). All mosquitoes breed in some type of aquatic environment. Breeding places include tree-holes, swamps, rain gutters, temporary pools of water, ditches, empty tires, buckets, and so on.

The mosquito life cycle begins when their eggs hatch in water. Larvae (called

wrigglers) appear, molt four times to form a pupal stage (called tumblers), and then emerge into new adults. Temperature determines how fast the mosquitoes develop. At temperatures of 80 to 90 degrees Fahrenheit development from a hatched egg to an adult takes five to eight days, while at temperatures of 60 to 70 degrees Fahrenheit complete development takes up to 19 days. Changing weather con-

ditions determine when and where mosquitoes will be. Weekly inspections (as in the photograph) and treatment of larval breeding sites when necessary, is the only way to ensure good mosquito control in your community.

In a quality community control program the first priority is to locate and map all potential breeding areas. Larvae are monitored by weekly inspections of man-

ped areas and are chemically treated when breeding is found. These treatments can be applied by ground crews and/or helicopter.

Adult mosquitoes are monitored and sampled by light traps, oviposition (egg-laying) traps, and community input. When necessary adults can be sprayed using truck ULV (ultra low volume) units if

and when weather conditions are favorable.

Cooperation of the public is absolutely essential to a mosquito-control program. Individuals should check their own property for breeding sites and notify your village or township officials of any possible breeding places on public property. Or call Protection Unlimited in Lake Villa at 1-800-942-1553.

Fair to have demos

The Lake County Fair in Grayslake will have two demolition derbies once again this year.

The first will be at 7 p.m. on Thursday, July 28 with the second being at 3 p.m. on Sunday, July 31.

The derbies are produced by Auto Race Promotions.

PM&L to 'Stop World' with new musical

PM&L Theatre announces its final show of Season XXII. The play will be Anthony Newley's musical comedy of self discovery, "Stop The World—I Want To Get Off."

Play dates are July 29, 30, August 5, 6, 12, and 13, at 8:30 p.m. and August 7, at 2:30 p.m. at the theatre located at 877 Main St., Antioch.

Barb Miller, who produces the shows at Andres Dinner-Theatre, is the director.

Her piano accompanist is Sharon Yeh of Twin Lakes who is well known to Wilmot

High audiences. Miller has announced the following cast for this bright musical: Larry Bullman (Ingleside) as Littlechap, Jennifer Biel (Antioch) as Evie, Amy Hausman (Antioch) and Marie Marsegia (Fox Lake) as Susan, Kevin Lamar (Antioch) as the boy.

The following are in the chorus: Chris Cary, Dorie Hubbard, Sue Lamar, Chris Hubbard, Bob Mullewney, and Stephen Biel.

Reservations can be made at (312)395-3055.

Dinner-theatre packages are available with the village Pub at (312)395-3373 and R.L. Greedy's at (312)395-4750.

WHAT'S YOUR ENERGY I.Q.?

- What is America's most abundant fossil fuel?
a. Coal b. Natural gas c. Oil
- How much of the energy that the U.S. uses is based on oil?
a. 25% b. 45% c. 55%
- Since the 1973 oil embargo, how has the U.S. reliance on Arab members of OPEC changed?
a. U.S. now half as dependent b. U.S. now just as dependent c. U.S. now twice as dependent
- How much of northern Illinois' electricity is produced by oil?
a. Nearly all b. About half c. Very little
- How much of the electricity here is produced by nuclear energy?
a. Almost half b. About 25% c. Very little
- How much of the nuclear fuel Commonwealth Edison uses to generate electricity is produced in America?
a. Very little b. About half c. 100%
- When did the nation's first privately financed nuclear power station go into operation?
a. Five Years ago b. 1960 c. Ten years ago
- It costs us less to generate electricity with nuclear fuel than with coal - how much less?
a. 10% less b. 30% less c. 50% less

ANSWERS

- (a) The government estimates we have more than 30 times as much coal as oil or natural gas.
- (b) Oil accounts for 45% of the energy use, natural gas 25%, coal 22%.
- (c) Despite conservation, we rely on OPEC's Arab nations for twice as much oil as we did in 1973 - from 920,000 barrels a day to 1.85 million barrels a day.
- (c) Only 7% of northern Illinois' electricity is generated by oil.
- (a) 44% of the power produced here is by nuclear energy; coal accounts for 48%; the rest by oil.
- (c) While some uranium is mined and enriched in other countries, all that we use to generate electricity is fabricated and converted in America.
- (b) 1960. Commonwealth Edison's Dresden Nuclear Power Station has been serving northern Illinois for more than 22 years.
- (c) Nuclear generation is by far the cheapest - half the cost of coal and one fifth the cost of oil.

We live in a world concerned about energy... rising costs and dwindling supply. Will we have enough to go around? What about alternate forms of energy? Commonwealth Edison is working hard to provide the electric energy northern Illinois needs at the most reasonable cost. Understanding the problems and the possibilities is the first, and perhaps most vital, step on the road to assuring our nation's energy independence.

Want to learn more about energy? If you belong to an interested group or club, just call or write your local Edison office and ask for the Speaker's Bureau—energy experts who'll talk to any group, any time.

Commonwealth Edison.

LEGAL NOTICE

PUBLIC HEARING ON APPROPRIATION OR-DINANCE AND REVENUE SHARING FUNDS

Notice is hereby given that the Mayor and Board of Trustees of the Village of Antioch will conduct a public hearing on July 18th at 7:00 P.M. in the Antioch Municipal Building, 874 Main St., Antioch, Illinois 60002 on the proposed annual APPROPRIATION OR-DINANCE for the fiscal year 1983-84 in the amount of approximately \$3,000,000 including \$120,000 of Revenue Sharing Funds.

Copies of the proposed APPROPRIATION OR-DINANCE ARE available for examination in the Antioch Municipal Building, 874 Main St., Antioch, Illinois. Subsequent to the public hearing and before final action is taken on the appropriation ordinance the corporate authorities may revise, alter, increase or decrease the items contained therein. This public hearing is held so as not to exclude from participation in, deny the benefits of, or subject to discrimination under any program or activity, any person in the U.S. on

Opens in Fox Lake

Antioch success breeds new Best Value

The success of the Antioch Best Value Food Store is cited as the driving force behind the opening of a second Best Value store in Fox Lake.

The new store, located at the site of the former A & P Store on Rte. 12, south of Grand Ave., opened Wednesday, June 29 and is a full-service supermarket including wine, liquor and beer, a delicatessen and complete produce and meat department.

Bob Butkus, store manager at the Best Value store in Antioch, will be store manager of the new Fox Lake store. The new store, like the one in Antioch, will be a corporate retail store of Scott Lad Foods, said Butkus.

"The Antioch store was quite successful and after seeing the results in the Antioch location it was decided to open this one also," said Butkus.

The new full service supermarket will "fill a void in the area that the smaller markets aren't able or equipped to handle," he explained.

Hours at the new Best Value store in Fox Lake will be 8 a.m. to 10 p.m. daily and 8 a.m. to 7 p.m. on Sunday.

Sue Loyd will be deli manager, Jim Barnett will be meat market manager and John Leveque will be produce manager at the Fox Lake store.

Fox Lake Mayor Richard (Butch) Hamm called the new food store a welcome addition to the community.

"It's been a long time coming and we can sure use it," he added, noting it has been 15 months since the former A&P outlet closed.

SUMMER NOTES

"Music Under The Stars"

Evening Concert Series Thursdays at 9:15 p.m.

July 7

The Glenn Miller Orchestra

July 14

The Kingston Trio
